

Come Knit with Elsebeth Lavold!

Have you ever knit with Hemptathy or Silky Wool? Come meet the lady behind the yarn. Elsebeth Lavold has spent the last 30 years as a professional designer, starting the Vikings Knit Project in 1992. She experimented with cable patterns to create a new technique that visually represents artifacts of the Viking age in knitting. She has 461 patterns on Ravelry, such as Gudrid, Greip, Atle Beret, Menja and Swedish Thora, to name a few. Please go and see how she integrates her unique cabling techniques into her patterns.

Workshop 1: Basic Viking Knits – Monday March 4, 1:00 to 4:00PM

The focus is on the basic techniques needed to knit the wonderful Viking Patterns. Join Elsebeth as she focuses on the technical aspects of knitting Viking patterns and leads you to understand the grammar of cable patterns. How to read and understand charts. Learn how to cable without a cable needle. Analyze Viking Interlace ornamentation and start designing your own cable patterns. *Students should know how to do basic cabling.*

Read more about Viking Knits at
http://www.ingenkonst.se/viking_e.htm

Workshop 2: - Monday March 4, 6:00 to 9:00PM

Basic Design with Cables - 3 hours - skill level intermediate

How to use the Viking Patterns in your own projects – designing with cables. Basic garments shapes and calculation, cable and motif placement. Details such as cuffs and collars and some finishing techniques will be discussed. *Students should know how to do basic cabling and have a basic understanding of garment design.*
